You cannot add a monthly charge for trash pickup. Home owners all ready pay this fee through their property taxes so it will be double taxation. Requiring bulky item pickup to pay \$10 fee and call for pickup will spread large items throughout the island. We've seen this all ready when there is no fee what do you think it will look like if a fee and an appointment is required. Bill 29 has not been well thought out, the public will be outraged and trash will accumulate and be dumped all over neighborhoods. If you want to see a public backlash then pass Bill 29 if you want to show some sanity and respect for neighborhoods stop Bill 29 now.
